February 2021

Dear Kindergarten Parents/Guardians:

We are eager to welcome you and your child to Lexington Public Schools. This letter outlines important dates and information for your child's Kindergarten registration.

REGISTRATION

Registration for the 2021-2022 School Year opens on Tuesday, February 16, 2021 at 8AM. To begin the registration process, please visit the Lexington Public Schools Website at lexingtonma.org, then select the [Student Registration](#) tab.

Parents/guardians will enter their child's registration information into our secure online portal, and upload all required documents via your smartphone and/or laptop/PC. Parents/guardians should email lpscentralregistration@lexingtonma.org once the registration is completed. **Please note the student's name and "Kindergarten Registration" in the subject line.**

All Kindergarten registrations will be conducted remotely, as the Central Registration office remains closed due to the Covid-19 Pandemic. Once your email is received, a registrar will review the registration and reach out to you via email with next step instructions.

Please reference the [Student Registration Requirements Checklist](#) found on the Central Registration website for a complete listing of what identity, residency, and health documents are required.

The [Information Form For Entering Kindergarteners](#) must be completed by your child's preschool teacher, and **is the only form that is not required prior to your child's registration appointment.** We do ask, however, that it is completed and returned to Central Registration no later than **Monday, May 3rd, 2021.** The information in this form assists the schools in making class assignments, and provides important introductory information about your child to his/her teacher. The form is not used for assessment purposes and will not become part of your child's permanent record.

KINDERGARTEN INFORMATION NIGHT

Kindergarten Information Night for parents/guardians of **ALL** incoming Lexington Public Schools Kindergarten students is scheduled for **Thursday, April 29, 2021.** This event will be held **virtually** at the individual Elementary Schools. **You will learn more about Kindergarten Screening at the virtual Kindergarten Information Night on April 29, 2021.**

Questions can be directed to: Central Registration: lpscentralregistration@lexingtonma.org

Sincerely,
Dr. Julie Hackett
Superintendent of Schools
